

Introducing:

Vanessa Freund, cpa

OUR MISSION:

To provide and deliver the highest quality professional tax and accounting services while maintaining a casual and friendly attitude. We accomplish it by taking a proactive approach to understanding and exceeding our clients' expectations and maintaining a positive office culture that values staff and encourages work life balance.

THE BENEFITS:

1. We know tax law... Decrease tax liability
2. Real-time accounting... We do it for you
3. Grow your business... Increase your cash flow
4. Increase the value of your business... Develop wealth
5. Strengthen internal controls... Avoid embezzlements
6. Simplify your operations... Audit proof your financials

Move Beyond the Growing Pains...

Get the **peace of mind** to know that you have experienced professionals helping you handle your accounting activities!

Whether you are an established business or a start-up. **We can HELP!** Every step of the way, we have your financial back, which will give you peace of mind to handle other activities that deserve your attention. We offer everything from full-service accounting packages to a la carte services. Small and local means you receive special attention to every detail. Our goal is for you to succeed!
